Denise told everyone that we usual start out with introductions but since the number of people in attendance was so large we would skip that. The next thing we normally do is What's Working, a few people in the group shouted out what they though was working:

What's working:

- Full slate for the board and so many people here to vote
- Olympic day, every had a great time
- Basket bingo was a success
- Dancefest is always a good time
- Art show was awesome
- The thank you notes the HSC received we keep and Denise wanted to thank everyone who has submitted one

Mrs Lorona wanted to address the group:

- Thank you for the warm welcome back
- Thank you for being here tonight
- While out she had time to reflect on what an awesome community we have and we work together to have the best environment for not only the kids but for everyone in general.

Now time to vote. There is a nominating committee made up of 2 community members, 2 teachers and 1 board member. Ms. Gretchen McGarry stood up to say the nominating committee will read the nominees then say who they recommend. After that is read the nominating committee passes out ballots for everyone to vote, once all votes have been put in the box the votes will be counted.
